Fee definitions

Administration fee: Covers the general administration of the Fund.

Entry/Establishment fee: Cost to set up an account.

Exit fee: Fee charged if you close your account.

Withdrawal fee: Charged for each withdrawal or transfer made from the Fund.

Investment management fees: The fee for managing a Fund's investments.

Operational asset cost: The cost for administration, operational and compliance costs of the Fund.

Account keeping fee: Cost to keep your account open.

Contribution fee: cost for the initial and every subsequent contribution an account receives.

Commissions: Deductions made from a Fund and paid to advisors or external parties.

Family Law: For AUST(Q): Family Law Act information request: \$79.00 charged to the person requesting. Family Law Act splitting account Fee: \$55.35 to affect a Family Law splitting order or agreement. This fee is split equally between the two parties involved, unless the whole account balance is being transferred to the non-member spouse.

Location fee: This charge only applies if we do not have a current address for you and are required to undertake an address search.

Insurance premiums: Deducted directly from your member account monthly. This is the cost of insurance cover in the Fund. The premium deducted depends on the level of insurance cover you select
